Welcome Note by Mrs Katia Avramidou

Dear Participants,

We wish to thank you cordially for honoring the 14th Aegean Airlines Pro-Am with your kind participation as players, partners and guests!

We will ensure that you will enjoy a unique atmosphere in the heavenly nature of Costa Navarino and that you will run challenging rounds of golf at the 18th – hole championship golf courses, the Dunes and the Bay. The new Clubhouse at Costa Navarino's Bay Course will complete your joy of golf with its fascinating architecture and its breathtaking veranda overlooking Navarino Bay. Having said that, the Bay Course has been re-numbered so that the new holes 1 and 18 “meet” the unique new Bay Clubhouse.

It is great honor that the PGAs of Europe our corporate partner in golf is sanctioning the Aegean Airlines Pro-Am for 14 years with a highly supportive tournament team and PGA professional contacts across the world. Along with Ian Randell and his team we envision to continue to develop such high-level synergies for golf with tangible benefits for the market, the associations and the players.

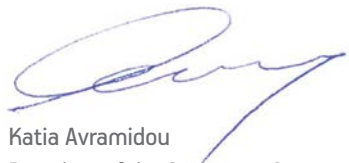

During the tournament week, the evenings will be filled with inspiring social events, including a welcome reception (under the motto “Hello September”) and, a 90s Night (“Game on!”). Crowning the event, the Gala Dinner and Prize-giving Ceremony will also celebrate a corporate milestone, AEGEAN's 20th anniversary, marking two decades of operations, experiences, success, accomplishments and memories! We are proud and grateful to be part of the AEGEAN family for 20 years!

At the start of the third decade, we have entered a new cycle of growth with an order for 46 Airbus A320 neo and A321 neo aircraft, aiming to offer our passengers with new benefits and advanced services.

In all respects, we are guided by the vision of the founder, the late Chairman Theodore Vassilakis.

Enjoy the most in your golf game and do not hesitate to contact me personally for any query. A hug to all!

With kindest regards,

Katia Avramidou

Welcome Note by Mr. Ian Randell

Dear Competitors

We are very pleased to be welcoming you to the 14th edition of the Aegean Airlines Pro-Am once again taking place here at the beautiful Costa Navarino.

This year marks the first time the event has taken place in September and I am sure you will agree it is no less exciting and enthralling to be returning.

Over the years our relationship has grown ever-stronger with Aegean Airlines and not only have they proven to be fantastic Corporate Partners of the PGAs of Europe, but they are more importantly wonderful friends to us all.

Aegean Airlines have not only supported the Association as a whole but have played a key part in the success of our flagship event, the Annual Congress and International Team Championships, that has taken place at Costa Navarino for the past two years as well.

The Aegean Airlines Pro-Am is one of the biggest highlights of our tournament schedule, and our heartfelt thanks go to Katia, Mary and everyone at Aegean for continuing the late-Mr Vassilakis' legacy in supporting and growing golf.

Costa Navarino will always hold a special place in our hearts as well and we have no doubt they will make all our stays very comfortable and enjoyable with their world-renowned Messinian hospitality. We also cannot wait to sample the cuisine and spectacular views from the new clubhouse at The Bay Course.

All of us at the PGAs of Europe would like to wish you the very best of luck this week and we hope you enjoy yourself just as much off the course as you do on it.

The Dunes Course

The impressive seaside The Dunes Course is the first signature golf course in Greece, designed by two times US Masters Champion and former Ryder Cup Captain Bernhard Langer in association with European Golf Design. This championship course, set in a landscape of diverse topography with spectacular sea and river views, incorporates some links-style features in areas closest to the sea, with tall dunes dividing some of the holes adjacent to the golden beach.

Parts of the course venture into olive and fruit groves, while some holes run along a small river that meanders through the site. Combined with large undulating greens, wide fairways and steep-faced pot bunkers, the link element of the course adds to its unique style and playability.

"The Dunes Course" has been designed to provide an exciting challenge for all golfers. Each hole has multiple sets of tees to allow the player to select the course length that best suits his or her game. The course will therefore measure from a little more than 5,000 metres from the front tees to almost 6,018 metres from the back tees with a par of 71. Generously wide fairways and large greens make good targets which will be appreciated by most golfers.

The Dunes Course Info:

- 18-hole, par-71 course measuring 6,018 metres from the back tees and a little more than 5,000 metres from the front tees.
- 3,500m² clubhouse with full-service locker and guest-changing facilities. Dining and banquet space for pre- and post- tournament activity. A fully-equipped shop will offer the latest in golf equipment and apparel from a range of international brands.
- Extensive practice facilities including a well-appointed full-size driving range, putting green and short-game practice area. A team of golf professionals will be available for private lessons and individual coaching sessions.
- State-of-the-art fleet of golf carts available for the tournament.
- Beverage stations (Hole No. 1, 6, 10 & 14)
- Starting points (Hole No. 1 - Hole No. 10)

The Dunes Course Map

The Bay Course

The acclaimed US publication Robb Report has included The Bay Course among the "Best of the Best: Golf Courses".

Open since October 2011, the 18-hole seaside "The Bay Course" at Navarino Bay, designed by Robert Trent Jones II, promises to be both a fun experience and a challenging test for golfers of all levels. Troon Golf, the world's leading luxury-brand golf management company, also operates "The Bay Course". With the majority of tees offering sublime sea views and two holes playing along the historic Bay of Navarino, the course meanders through three distinct natural landscapes, The Seaside, Canyon, and Grove holes provide striking contrasts that create a dramatic and memorable golf round.

Seaside: Golfers will experience four different Seaside greens framed by a scenic backdrop of the tranquil waters of the Bay of Navarino. The bay's natural beauty is showcased on hole #17, a short and strategic par 4 directly fronting the bay with the town of Pylos visible in the background. This challenging hole will present tremendous visual appeal.

Canyon: On "The Bay Course"'s numerous Canyon holes, golfers will play from elevated tees and pursue their drives into and through box canyons as the course switches inland from the sea. These holes will feel more intimate than the Seaside holes and offer very different views and a greater variety of strategic options.

Grove: More than 1,000 mature olive trees - some more than 500 years old - were saved during the construction of the course and transplanted along the perimeter. The Grove holes meander through this treed landscape, providing distinctive mountain views in striking contrast to the Seaside and Canyon holes.

The golf course plays to a par of 70 from a variety of lengths designed to challenge golfers of various skill levels. Crafted across natural terrain, the layout offers panoramic seaside and mountain views in addition to having several holes that play directly along the sea, providing an unforgettable golfing experience. Moreover, players are welcome to sample the ripe fruit from the trees around the course at their leisure.

The Bay Course Info:

- 18-hole, par-70 course measuring 5.422 metres from the back tees and featuring four sets of tee positions.
- Impressive clubhouse with full-service locker and guest-changing facilities.
- Dining and banquet space for pre- and post- tournament activity. A fully equipped pro shop will offer the latest in golf equipment and apparel from a range of international brands.
- Extensive practice facilities including a well-appointed driving range and a putting green. A team of golf professionals will be available for private lessons and coaching sessions.
- Fleet of state-of-the-art golf carts available for hire. Golfers may also enjoy the course on foot.
- A wide selection of the latest quality equipment will be available to guests travelling without their clubs.
- Full-service group and tournament activities, including scoring and tournament services for 10 to 120 players.
- Team-building golf packages can be tailor-made regardless of playing level.
